

Randall Museum Animal Room Scavenger Hunt

“The Closer You Look, The More You See”

Find an animal that:

is dinner for hawks, owls and snakes

is only a toy (all the others are
real and alive)

has stripes

looks like a stick

flies out the window to find delicious
food for its babies
(people like this food, too)

helps clean up dead things

holds onto rocks with its tube feet

doesn't chew its food

is scary

flies silently to hunt at night

swims with its tail

grabs food with pincers

is very small

lives in the desert

flies to a tree branch for safety

is black and white

carries babies on its back

looks like a rock

hangs upside down

has four legs and toenails

eats mice for dinner

walks on two legs to visit the
museum
